Summary

I am Neetha Francis. Computer Science Assistant Professor, Researcher and Mentor. Experienced and dedicated teacher with a passion for fostering innovation, critical thinking, and technological advancements. Adept at creating engaging and dynamic learning environments to inspire students to explore the ever-evolving world of computer science. Committed to empowering the next generation of problem solvers and equipping them with the skills needed for success in the digital age. Passionate about inspiring students, driving innovation, and advancing the boundaries of computer science, I am eager to contribute to an institution committed to excellence in education and research. Let's connect and explore opportunities to collaborate on transforming the future of computer science education and shaping tomorrow's tech leaders.

Experience

Assistant Professor and Head
