

# INTERNAL QUALITY ASSURANCE CELL (IQAC) ACTION TAKEN REPORT 2021-22

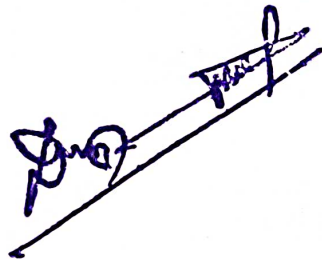

SSR	<p>IQAC has submitted the SSR successfully by the end of JANUARY 2022.</p>
Course Planning and Delivery	<p>In order to make a comprehensive course planner which includes all the relevant documents, Comprehensive Course Planner (CCP) was introduced. Course planning, implementation and achievement of outcomes were monitored effectively. Orientation and bridge courses were done for the fresh batches.</p>
Experiential/student centered learning, etc.	<p>Even if there were uncertainties, student centric learning and experiential learning efforts were implemented efficiently.</p>
Feedback system	<p>Feedback collection and analysis was effectively done.</p>
Infrastructure expansion	<p>It was ensured that the infrastructure expansion plan was done successfully. Class room construction, library expansion, sports centre expansion and ramp renovation was almost completed.</p>
ICT integration	<p>Learning Management System (LMS): MOODLE was experimentally initiated.</p> <p>Other online tools like Google Classroom, Edmodo, Google Meet, Zoom, Gmail, Telegram and Duo are used for ensuring online learning.</p> <p>Institutional email id created for all students and they are encouraged to use it for sending the drafts of Assignments and Projects to minimize the use of hard copy printouts.</p> <p>Inflibnet and NList were provided to students for accessing materials online.</p> <p>Multiple Digital Resource Sharing Platforms are offered including YouTube channel, Teacher Parent Communication Application (ERP) of the college, QR code, FB group, FB live, Google Drive, Learning Apps, like Byju's App, Website, Open Broadcast Service (OBS), Creative Commons, College Website, and bookwidet.com.</p> <p>E library is offered to students.</p> <p>IT equipped Classrooms: Approximately half of the classroom are with LCD projectors, and efforts were taken to ensure Wi-Fi connectivity in all classrooms.</p>
Best practices/Outreach activities	<p>Both of the best practices are effectively implemented well. For Prabodhan, online platform was established for easy access of information at any point of time. Covid response activities were also done effectively.</p>

Certificate courses Every department engaged in extension activities.  
Every department has done certificate/diploma. Number of courses increased significantly in the last academic year.

New programmes BSc Econometrics and Data Science programme was commenced in the academic year.

Online conferences/seminars With IQAC support departments/clubs could successfully conduct 35 programmes of different types. Online, Hybrid and Offline modes were used.

Staff/Faculty development/awareness programmes Eight programmes are organized with the intention to enhance the professional competency of the staff.
