

### Action Taken Report 2023-24

#### Recommendation for the Improvements on the Basis of Feedback Collected During the Year 2023-24

The institution places great emphasis on maintaining a robust feedback mechanism to ensure continuous improvement and alignment with the expectations of its stakeholders. Feedback from all the stakeholders serves as a critical resource for evaluating the effectiveness of our academic programs, infrastructure, and overall institutional practices.

The report outlines the specific actions taken to address the areas of improvement identified through the feedback analysis. It demonstrates the institution's commitment to enhancing its services, fostering industry connections, and ensuring that graduates are equipped with the skills and values necessary to thrive in their personal and professional lives. By acting on the feedback provided, the institution aims to strengthen its position as a centre of academic excellence and societal impact while meeting the evolving needs of students, teachers, alumnae, and employers.

#### Action taken

- Decided to incorporate industry representative in the placement cell
- A comprehensive mobile application, EMBASE Prosuit has been introduced to automate all academic and administrative requirements of the students.
- Improved ICT facilities by providing Interactive panel boards to all departments and an E-Podium in the Audio-Visual Theatre.
- Started initiatives for a peer reviewed research journal in social sciences with ISSN number.
- Improved the number of sophisticated lab equipment's to improve the research quality.
- In order to balance the work pressure of the faculty members IQAC has directed Staff Club to take initiatives.
- IQAC has suggested to concerned college committees to make efforts to avail government funds for the general improvement of the college.
