INDUSTRIAL VISIT REPORT

PG DEPARTMENT OF ECONOMICS, PAZHASSIRAJA COLLEGE, PULPALLY had organized an INDUSTRIAL VISIT on October 2023 to Vanamoolika located in Mullenkolly, Wayand for the students of MA Economics. The visit was organized by the Assistant Professors of MA Economics. Assistant Professor Ms. Delna Sunny were the PG programme coordinator and Assistant Professors Ms. Neethu Devasia and Ms. Adithiya RS were the programme convenors for the industrial visit. We left our college at 9.30 am and reached Vanamoolika by 10.15am. Totally 12 students with 3 faculty members were there in the journey. This visit was mainly focused on understanding the procedures involved in the production of organic products and medicines and for the analysis of economic aspects of the organization. Joseph Chackochan, the officer their explained about the objectives, vision and mission of the organization. Another officer explained the method of collecting organic raw materials and the production of organic products. He also explained about the working and maintenance of the equipment's in the factory and ethics considered during the production and export. Overall visit helped us in understanding the complete working of an industry, as well as the importance of organic products in the present world. After visiting the Vanamoolika we had a delicious meal at Josette's mess house. The industrial visit was very help in our future practical life and brought a positive change in thinking and practical behavior regarding the production, consumption, and distribution of organic products and the importance of conservation of medicinal plants. We got practical knowledge about the advancement in technology of machines different types of machines available was introduced. This industrialvisit was helpful for us in understanding the different manufacturing processes and procedures, and various industrial scale equipment's used to produce organic products and medicines. Industrial visit is to familiarize students with the equipment's and materials that we will use later in either professional, post-graduate employment or research positions. We hope to get more chances further to have such an informative & wonderful experiences of visiting different industries.
