

Department of Microbiology

Freshers Day Celebration 2018-19.

Venue: Chithrasala, Pazhassiraja College.

The department of Microbiology organized fresher's day party for UG first year students on 6. 8. 2018 and PG first year students on 12.10.2018.

The function was organized to welcome new students in a friendly atmosphere and to encourage their creativity. The function was held in the morning session and was inaugurated by the Principal Dr. Roy of the college. The welcome speech was delivered by the Head of the Department, followed by the inaugural session by the Principal. The teachers and the students of the department participated in the programme. A total of 76 students in UG and 15 students in PG participated in the programme. The juniors were enthusiastic about the event and took part in all events. Various cultural programmes and refreshment were organized by the senior students. The day was filled with various activities and fun. All the events were planned properly and executed well with discipline. The programme came to an end by 1.00 pm.
