

05.06.2021 World Environment Day

Quiz Competition

On World Environment Day, we have conducted an online quiz competition for the cadets under 5(K) Battalion, Wayanad. Quiz was conducted in four different levels. It was conducted in such a way to enhance the knowledge our participants on environment and intensify their intellect to protect the environment. The winners were awarded with cash price.

congratulations to winners

Tree Planting Programme

We have also planted trees for the future on the day. Some 100 Saplings were planted by our cadets in their houses' premises and our cadets were asked to encourage their family members, fellow students and friends to plant as much as saplings they can. All together some 500 Sapling were planted under our initiative.

Theme Dance

We have prepared a theme dance for the day and our Cadet Gayatri Gangadaran has performed well in it.
