**QUIZ - 2019**

**ON**

**GENDER SENSITIZATION AND LEGAL AWARENESS**

The Department of Biochemistry of Pazhassiraja College has been taking steps to progressively increase awareness about the laws, rights and entitlements of women in the society as a whole. It is believed that education or schooling is a process through which society creates the kind of individuals we wish to see in the world. The department going by 'CODA' has introduced a **Quiz on 'Gender Sensitization and Legal Awareness'** at department wise on 14<sup>th</sup> october. The aim of the programme is to inculcate values of equality, inclusivity and diversity, among the adolescent boys and girls, which are essential for building a healthy society. Moreover, knowledge of laws relating to women and gender sensitization is not only crucial for balanced development of young minds; it will also help students in building correct values, self-discipline and national spirit.
