

13-07-2016

NOTICE

Students from various UG departments can attend the skill enrichment programmes conducted by Department of Computer Applications in the computer lab. IT is an inevitable part of this digital world. Students can make use of the internet facility in the computer lab for references. They will be given classes in MS Word, MS Excel, MS Powerpoint, gmail account creation, Blog creation and PSC registration during free hours.

ICT/Computing Skills

Orientation Programmes on ICT/Computing Skills

Two day workshop was organised for selected students from UG Departments on 'ICT in Education' in order to create awareness on the importance of ICT tools. The programme was conducted on 15-10-2016 and 22-10-2016 and aimed to make the students aware about the use of ICT in Education. Hands on training were also given to students in the computer lab. 31 students attended the workshop.
