### DEPARTMENT OF VOCATIONAL STUDIES (FOOD SCIENCE)

The Department of Vocational Studies (FOOD SCIENCE), Pazhassiraja College has conducted a one day webinar on the topic "FOOD FACTS" on 15<sup>th</sup> December 2019 using Zoom as a platform. The webinar had two sessions handled by eminent resource persons from various premier institutions.

#### OBJECTIVES

- This programme is arranged in the motive of sharing the knowledge and experience of eminent resource persons, who has long years of experience in this field
- Was to bring the presence of different strata of students across the globe to a very recent topic like food hygiene and chemistry of spices which will be the future of in the field of food science.

#### OUTCOME

The webinar was a great success. The overall session discussion benefitted the faculties and research scholars. This webinar would help the participants to conduct the classes in an effective way and also it would help them to do their implementation in research work. The overall organization and deliverance of the webinar was helpful and satisfied the participants. Also the feedback about the session was collected from all the participants to improve the sessions that will be conducted in the mere future.
