**The training was delivered by Ms. Silvy T.S. HoD Department of Economics Prior to the workshop participants were sent training and reading materials which would give them insights on Public Speaking & Presentations Skills. Participants spend their first session understanding the essentials of public speaking and in doing so they learnt the underlying challenges, how to overcome these challenges and present statements and presentations in a confident and concise manner. Moreover, with the help of simulation exercises, Ms. Silvy T.S. further emphasized the importance of tone of voice and position and how to further refine presentations. The second Session of the workshop gave a thorough understanding on dealing with difficult audiences and objections while presenting and speaking publicly.**

**Finally, the Q&A session at the end of each briefing made the workshop even more interactive. The participants were satisfied with their experience, as 96% of them felt that they met the course objectives and all of them agreeing that their awareness about the subject has increased. Benefits from the briefing were confirmed by post-training self-evaluations.**
