

**DEPARTMENT OF ECONOMICS**  
**PAZHASSIRAJA COLLEGE PULPALLY**  
**DRAWING COMPETITION 2018**

The department of economics Student's Association conducted a drawing competition on 22/10/2018 on the topic flood. The objectives of the programme are to get an awareness of multi-dimensional face of flood; the economic impact flood can create on the affected area and also identify students' aptitude in drawing. Many students participated from the departments. The first prize winner was Nazriya A S and second prize was given to Archana. Some of the drawings are attached here with. The programme was a success and 115 students are benefited.
