

## DEPARTMENT MICROBIOLOGY

### Webinar report

Subject: Cancer : Past, Present and Future.

Date: 23/09/2021

Department of Microbiology, Pazhassiraja college hosted a webinar on “: Cancer : Past, Present and Future” on 23<sup>rd</sup> September 2021 organized by second year MSc. Microbiology students with Dr Lakshmi S, Junior Scientist at HLL Lifecare Limited as resource person . The webinar started at 2pm on Google meet. Students, research scholars, and faculties from various institutions were present as audience. The Inaugural session of the program started with a silent prayer followed by the welcome address given by Mr. Abdul Bari K K, Head of the of Department, Microbiology. Dr Anilkumar K, Principal of Pazhassiraja College gave the Presidential address. The webinar was felicitated by Dr Dileep M R, Vice Principal and IQAC Co-ordinator, Prof. Thara Philip, Self financing Director and Fr Varghese Kollammavudy, CEO of Pazhassiraja college respectively. Ms Jayasudha M, co-ordinator of M.Sc Microbiology introduced the resource person to the audience. The resource person Dr Lakshmi S gave a lecture on the topic “Cancer: Past, Present and Future”. The session highlighted on the history of cancer and how the medical field evolved to the present strategies for cancer detection and treatment, awareness into the early -symptoms with the present available diagnostic and treatment modalities, the future technologies for early diagnosis and precision based targeted therapy and how we could try to minimize its incidence and manage it. After the presentation the participants and speaker had an interactive session where their questions were answered. Dr Lakshmi ended the talk by welcoming the students to various research fields in cancer biology and also expressed her gratitude for the invitation. Jipsa Jiji, student of MSc Microbiology, ended the program with a thanks giving note. The webinar ended at 3.50 pm. During the discussion a feedback form was given to the audience for getting their response and details. Based on the given details an E-Certificate was provided to the participants.
