

International Day Against Drug Abuse - 26/06/2021

NCC conducted an online speech for the awareness against drug abuse on the day.

We have also conducted a drawing competition with the theme 'Say No to Drugs' and the cadets exhibited their stand against Drugs through their canvas.

The International Day Against Drug abuse and illicit trafficking, or International Anti- Drug Day was established in 1987 by united nations. The day, marked on June 26 each year, is supposed to express the international community's determination to combat and eventually eradicate drug abuse. On behalf of Anti- Drug Day on 26th of June, our sub-unit (NCC unit, PRC Pulpally) had decided to conduct a poster making competition among the cadets of different colleges under 5 (k) Battalion, on the topic 'Say No to Drugs' in which we received posters from NMSM Govt. College, Govt. College Mananthavady, and St. Mary's Bathery college. Cadet Sharan Prakash (kl/19/SDA/202847) of

NMSM Govt. College, Kalpetta won the competition. Memento for the winner will be provided in formal manner, when the college reopens.

CDT SHARAN PRAKASH, KL/19/SDA/202847.
