Report of Department level activity

Title of the Programme:

National Science Day Celebration 2018, Sponsored by KSCSTE and Supported by DST, Govt. of India.

Date: 27-28 February 2018.

The National Science day was celebrated in the Department as a two day programme with a number of activities. The day is celebrated in India in memory of Sir CV Raman to recognize his contributions to the entire science and especially to the Indian scientific growth. Kerala State Council for Science Technology and Environment (KSCSTE) with a focal theme "Science and Technology for sustainable future with the support of Department of Science and Technology, Govt. of India.

On 27th February, we had a frontier lecture session by Dr. E Sreekumaran, Associate professor of Physiology and Head of the Lifesciences Dept., University of Calicut. He officially inaugurated the celebration in function in which Principal Dr. A. O. Roy presided over and Mr. Abdul bari, HOD, Microbiology did the welcome speech. "Scientific knowledge and scientific temper is different" Dr. Sreekumaran said in his speech and added that it is not necessary to be a science student to have a scientific temper. The gathering was felicitated by Fr. Tony Jacob Kozhimannil, CEO, Prof. Thara Philip, Self finance course Coordinator, Prof. Saleel M. M., Staff secretary, Dr. Dileep M. R., IQAC Coordinator, and Dr. Jomet Sebastian, HOD Biochemistry. Mr. Rinooj A. B., Microbiology student delivered the vote of thanks. The programme in the department was subtitled as "The synergy of Science and technology: 1029-2020" and there was a power point presentation prepared by the students detailing the major scientific developments during the century.

The technical session started after the tea break and Dr. Sreekumaran elaborated the significance of consciousness in polluting the environment during his presentation entitled "Science, technology; pollution and solutions. He listed number events in daily life where we are part of polluting the system and reminded of serious responses from the environment. Dr. Sreedevi R. expressed the gratitude and Dr. A. O. Roy presented a Memento as a token of affection to him.

The function was also remarkable with the recognition of Dr. Sreedevi's Ph.D. achievement. A memento was given on behalf of the Dept. of Lifesciences by the chief guest.
