Meet the Industry Expert Programme during Covid-19 Crisis”
Category: Motivation

27/08/2020

Online webinar on “Meet the Industry Expert Programme During Covid-19 Crisis” was an interactive session conducted on 27/08/2020 from 2.30 pm to 3.30 pm on Google meet platform and it was organized for the Students (both UG and PG), Department of Microbiology and in connection with ED Club Pazhassiraja College, Pulpally. It was organized with the aim of motivating students who are worried about their future, job and higher studies during this Kovid-19 Pandemic; we hope that this program will help students to gain the courage or enthusiasm they need to overcome this situation.

The programme started with the welcome address by Ms.Smitha Chacko, Assistant Professor, Department of Microbiology. She welcomed all and introduced the resource Person **Ms. Smitha M – Director, Greens Ecoproducts, Parathur, Palakkad District, Kerala.** The event was facilitated by Mr. Abdul Bari KK, HOD, Department of Microbiology. Ms. Smitha shared her experiences as an entrepreneur. She compares this reality we’re now living to resembles that of an entrepreneur. Still she is confident to face it. She explained the guidelines to start an enterprise. She also highlighted the support provided by the Government in this regard.

The Meet the Industry Expert Programme was interesting and informative. This session was very insightful as it was an interactive session, where the students gained information about starting an enterprise. She clarified the various doubts raised by the students and faculty members. A Total of 70 participants participated in the programme. Vote of thanks was given by Dr. Dinesh M D, Assistant Professor, Department of Microbiology (Coordinator – ED Club)
