NATIONAL STATISTICS DAY CELEBRATION

29/06/2018

The National Statistics Day is celebrated every year on June 29 at the National level in India to create public awareness about the importance of statistics in socio-economic planning and policy formulation. The day also acknowledges the notable contribution of Late Professor Prasanta Chandra Mahalanobis in the fields of statistics, statistical system and economic planning. The 2018 theme is 'Quality Assurance in Official Statistics', which is chosen to underscore the importance of compliance with essential parameters of quality in statistical systems and products.

The department of Mathematics, Pazhassiraja college Pulpally, conducted a seminar on 'Statistical tools for Research'. The department head Ms. Lintu Jose welcomed the participants. IQAC coordinator Dr. Dileep M.R inaugurated the programme. Mrs. Geetha Antony, Associate professor in Statistics, MMASC, gave keynote address. She is an eminent personality in Statistics. Her words were very encouraging and interesting. She talked about the various statistical tools that are useful for Research. The talk was very useful for all. 58 students from Microbiology and BBA departments were attended the program. The participants were very happy and thankful to the speaker. Ms. Vismaya, 2nd BSc Microbiology gave vote of thanks.
