The number of posts of teachers sanctioned for the years from 2016-17 to 2020-21 is authenticated after verification.

The number entered in response to the extended profile 3.2 for the year 2018-19 was 55, but a change has been noticed and the number is corrected to 60 instead of 55. The number of sanctioned posts is listed below for each year. The clerical error is regretted. The newly introduced vocational programmes were not counted due to overlooking and delayed introduction of the programme. Kindly accept the corrected number for the calculations.
