

Annual Report of Bhoomithrasena Club 2018-2019

The bhoomothrasena club of the college is aimed at encouraging the college students to conserve nature and its resources and to react positively to environmental issues. The club organizes debates, talks, lectures on environmental related issues. Other activities include cleaning polluted sites in around the campus, planting and maintaining trees in the campus.

World environment day celebrations-2018

As a part of environment day celebrations, bhoomithrasena club organized different programmes. On 6th June 2018, planting of sapling in the college campus was inaugurated by Principal and also delivered environment day message to students. Sapilngs were distributed to all the departments and planted in the campus. Students cleaned the campus. The students of the bhoomithrasena club also distributed saplings to nearby houses.

Cleaning of the college campus

Students of the bhoomithrasena club cleaned the campus on 7th and 8th June 2018, collected plastics and sorted it. The bhoomithrasena club students also conducted an awareness programme for the college students about the hazards of plastic usage.
