

Pazhassiraja College, Pulpally
Faculty Exchange Program-2020-21
Department of Microbiology

Student Exchange between MAMO and PRC

The faculty exchange program is one way to take advantage of the benefits of diverse faculties. Faculty members would benefit from exposure to a culturally varied and diverse faculty make-up, with an opportunity to exchange ideas and observe a variety of styles. Ultimate goal of educational institutions is to develop a vibrant and diverse faculty. The benefit will be immediate, and students will have the opportunity to learn concepts and ideas presented in an entirely new and different manner.

A faculty exchange program has been jointly organised by Department of microbiology, MAMO College, Mukam and Pazhassiraja College, Pulpally 'Google meet' online platform

Jayasudha M, Assistant professor, Department of Microbiology delivered a lecture on the topic "Growth kinetics" for second semester M.Sc. Microbiology students of SAFI Institute of Advanced Study, on 30th June 2021 at 10.30 a.m. to 12 p.m.

Amrutha, Assistant professor, Department of Microbiology delivered a lecture on "Down stream Processing" for second semester M.Sc. Microbiology students of Pazhassiraja College, Pulpally on 1th July 2021 at 10.30 a.m. to 12 p.m.

A total of 24 students were present in the program and students shared their experiences with exchanging faculties, and the benefits they got by sharing different ideas by teachers. There was 1 hour doubt clearing session in each session. All the discussions were done by using chatbox and unmuting at the end of the session. Students send their further doubts and feed backs through Whatsappapplication.
