Aided by the Government of Kerala and affiliated to the University of Calicut

Managed by the Malankara Catholic Diocese, Bathery

Accredited by NAAC with B Grade

Dr. AnilKumar. K
Principal

Question which needs clarification: Number of programs offered year-wise for last five years

Ref: Extended profile-1.2 and Metric No-1.2.1

DVV findings: Number of programs offered by the Institution across all programs does not match with the excel sheet. The HEI is requested to give the program-wise break up so that the numbers can be cross checked

Response:

The total number of programmes offered by the Institution during the academic year 2020-21 is 16 consisting of 10 UG and 6 PG programmes.

Even though BA programme in Econometrics and Data Management was sanctioned by the Govt. of Kerala and University of Calicut to be started in the academic year 2020-21, due to technical delay no students could be admitted during the year 2020-21. The admission to the first batch of BA Econometrics and Data management was started with effect from the academic year 2021-22.

So currently (Academic year 2021-22) we are offering 11 UG programmes and 6 PG programmes with a total of 17 programmes.
