The number of students during the period from 2016-17 to 2020-21 has been authenticated after verification. DVV has suggested the number of students during the last five years as follows in the table against the number given in the SSR.

	2016-17	2017-18	2018-19	2019-20	2020-21
SSR input	991	1077	1167	1209	1251
DVV	992	1078	1168	1210	1252
Suggestions					

The number of students on roll for all the years has been checked and found correct as in the SSR entry. The list of students on roll has been verified by the University also (The documents are attached).

In case of 2020-21 academic year a change in number has been noticed in the attached document due to counting a heading row (Sl. No. 136) by clerical error. The total number of UG students given in this list is 356 but actually it is 355 and it has been verified. There are 355 UG students and 93 PG students for the year 2020-21 admission and the total students for the year remains 1251. In all other years no change in number was noticed.

The clerical error is regretted and request to accept the number of students provided in the SSR.
