

PAZHASSIRAJA COLLEGE
DEPARTMENT OF VOCATIONAL STUDIES (AGRICULTURE)
COLLEGE GARDEN DEVELOPMENT

Objectives

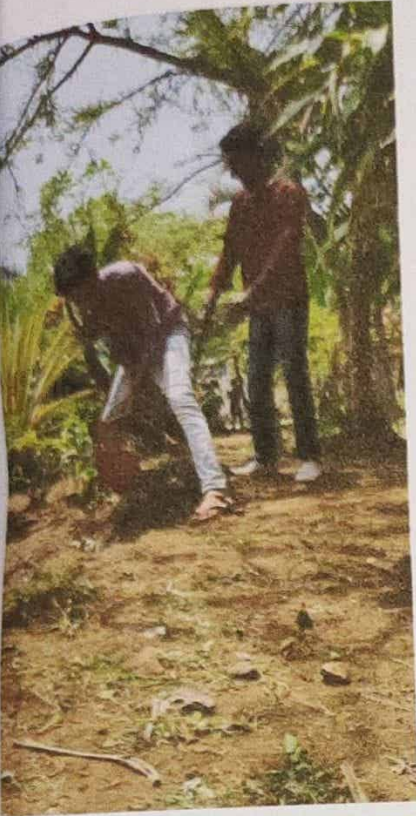

1. To develop the college garden to enrich the aesthetics

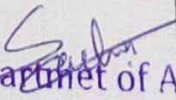

Outcome

1. Increased aesthetics of the garden

Students of B. Voc. Agriculture programme organized a cleaning and maintenance work of college premises including college garden to provide an excellent environment. Students did maintenance of all the trees, plants, shrubs, hedges, lawns and flower bed preparation by uprooting the old plants for sowing planting of new seedlings. The following operations were carried out during the exercise.

- a. Training small trees
- b. Pruning small shrubs and bushes using bush cutters
- c. Lawn maintenance
- d. Planting of new flowering and non-flowering plants
- e. Uprooting and cleaning of old and diseased plants
