Question which needs clarification: Number of courses offered by the Institution across all programs during the last five years

Ref: Extended profile-1.1 and Metric No-1.3.2

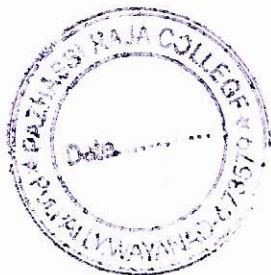

DVV findings: Number of courses offered by the Institution across all programs does not match with the excel sheet. The HEI is requested to give the course-wise break up so that the numbers can be cross checked

Response:

The consolidated number of courses offered across all programmes during the last five years is provided in the below table. There was a change in regulation of the University in 2019 for UG and in 2020 for PG programmes. The syllabi have been revised at least once during the assessment period for all the programmes.

There is a change in the number of courses already provided in the SSR due to overlooking of some general and common courses and we regret for the same.

| Year | No of Programmes | No of Courses | Applicable regulation of the University |

| 2020-21 | 16 | 397 | 2019 & 2014 (UG), 2020 & 2010 (PG) 2018 (B Voc) |
